EMPLOYEE REFERRAL PROGRAM GUIDELINES

At MarketSource, we believe our team members are our biggest competitive advantage. As we continue to grow, we must ensure that we attract the right talent that understands our culture and commitment to driving results. Through industry research and our own experience, hires that come into our organization through employee referrals are faster to hire, stay longer and are excellent contributors to the overall organization. As ambassadors of our brand, who better to identify and recommend candidates than MarketSource team members who support our goals on a daily basis.

MarketSource is seeking qualified candidates to join our team. If you know someone who would be a good addition to our MarketSource family and they meet the qualifications for an existing open position, you may be eligible to receive a referral reward if they are hired! 3. If you see a posting that may align with a friend or acquaintance’s skill set, please complete the referral form.
4. After the completion of the form, the current employee, the referral, and the recruiter will all be notified.
5. The referral will be sent a link to apply if a specific position has been identified. The recruiter will review the information and contact the referral.
